COLUMN B CONSISTING
Records in the Northeast Air Defense Sector (NEADS) 9/11/2001 collection relating to significant NEADS operations, procedures, and policies in regard to the terrorist attacks against the United States on September 11, 2001, and the aftermath of the attacks, including under Operation Noble Eagle (ONE). Most of the records date from September 2001 through December 2001. Textual records exist in both paper and electronic format and in such record types as email messages, power point briefings, reports, and correspondence.

COLUMN C WHICH ARE:
Records include: Power point briefings including twice-daily Battle Staff Coordinator (BSC) briefings during ONE in the several months after 9/11/2001. The BSC briefings were given at shift changes in the NEADS Sector Operations Control Center (SOCC) to summarize the activities of the shift just ending. Daily reports and other information regarding domestic air defense in the several months after the 9/11/2001 terrorist attacks, Sortie counts under Operation Noble Eagle (ONE), Intelligence updates for several months after 9/11/2001, Records relating to antihijacking exercises conducted before 9/11/2001, Transcript of 9/11/2001 NEADS voice recordings, Timeline of 9/11/2001 events, Communications between NEADS and the National Commission on Terrorist Attacks Upon the United States ("9/11 Commission"), and Inventories of the records, including an inventory of copies sent to the 9/11 Commission. Also included are audiovisual records, such as Digital Audio Tapes (DATs) recording the voices (conversations) of NEADS staff in the SOCC on roughly September 3 - 12, 2001, including the conversations on September 11 relating to the events of that day.

COLUMN D DISPOSITION:
Permanent. Transfer paper and electronic textual records when the latest records are 15 years old, after declassification review. Transfer audiovisual records within one year after approval of this schedule, and, prior to transfer, Air Force will perform declassification review to the extent feasible.

COLUMN B CONSISTING

Records in the NEADS 9/11/2001 collection that lack historical value.

COLUMN C WHICH ARE:

Paper textual records, dating from December 2001 and later, relate to deployment of military personnel and scheduling of flight operations for NEADS. Included are personnel status records, Time Phased Force Deployment Data (TPFDD), and printouts of air tasking orders. Specific folders include: Personnel Sitreps, covering January 2002 and December 2001, "NEADS Personnel Status Report", covering Dec. 2001, "NEADS Personnel Status Folder #2 (Classified)", covering January - April 2002, "Personnel Sitrep (Classified), TPFDD April 2002", covering January - April 2002, "Force List/Movement Requirements Working Papers (TPFDD) #1 (Classified), TPFDD May 2002", covering May 2002, "Force List/Movement Requirements Working Papers (TPFDD) #2, TPFDD April 2002", covering April 2002, and "ATOs 2002-2004". Also included are electronic textual records and audiovisual records that are unreadable, duplicates, or pertaining to non-significant matters unrelated to 9/11/2001 and its aftermath. Included are backup tapes for an undetermined system and RADES 84 compact disks containing radar tracking screens from roughly August - December 2001.

COLUMN D DISPOSITION:

Destroy upon approval of this schedule.

- 50 Destroy all paper prints and microfilm reproductions in both reel and card form in any manner that will render the documentation useless (See AFI 37-138, [to become AFI 33-322V3]). (EXCEPTION: AFMC will transfer the microfilm record copy of inactive or obsolete engineering data on aircraft to the Air Force Museum after retention periods specified above have expired. The Air Force Museum will not release or disclose any data outside the government for which the ownership has been transferred to that organization and is responsible for any reproduction of the data. The Air Force Museum will ensure protection of any proprietary data in accordance with DOD 5400.7-R/AFSUP, DOD Freedom of Information Act Program, 22 July 1999, and will so inform any other government agency that is provided data by the Air Force Museum of the government agency's responsibility to protect such data.)
- 212 Electronic copies created using electronic mail and word processing: Destroy paper after recordkeeping copy has been created and filed or when no longer needed for revision, dissemination, or reference, whichever is later.
- 213 Electronic systems that replace temporary hard copy records:
Destroy on expiration of the retention period previously approved for the corresponding hard copy records.
- 214 Electronic systems that supplement temporary hard copy records where the hard copy records are retained to meet recordkeeping requirements: Destroy when the agency determines that the electronic records are superseded, obsolete, or no longer needed for administrative, legal, audit, or other operational purposes.
